A Cayuga County Chamber of Commerce Program

Recent Reflections on Leadership Cayuga

Leadership takes many forms, and at its root is the ability to work with and for other people. Leadership Cayuga has provided me with a behind-the-scenes snapshot of how our communities functions socially, economically, and politically. I am delighted to have been selected to be part of this experience and enjoyed many of the learning experiences afforded me over the course of the program.—Dale Whittaker '16, Head Innkeeper, The Inns of Aurora

The program exposed me to many different facets of Cayuga County and provided me with a wealth of information that I will continue to use throughout my career and life. Leadership Cayuga takes everyday professionals and transforms them into well rounded leaders. —Renee Jensen '17, Senior Planner, City of Auburn

Leadership Cayuga was the highlight of my year. The people I have met have turned into friends and the contacts I have made will be beneficial to professional development...Through Leadership Cayuga I have learned so much about Cayuga County... but most of all, about the people who call this place home and who are committed to its well-being and its growth.

—Kate Carbonaro '16, Director of Operations, Champions for Life
