"Coming in as a high school student, I thought this program would be really boring, full of adults talking about 'boring adult stuff'. As the year progressed, I realized how wrong I was. I've learned so much and realize how important community is. I'm grateful for this opportunity."

-John Manning '17

"This was a good first step for me in my journey to becoming a leader and an Officer in the United States Army."

-Anthony Alberici '16
